President's Report: Chef Greg Beachey CCC, CIC

Vice President's Report: Patsy Wyman - would like to encourage suggestions for the education segment of the meetings, what would you, the members be interested in learning about? Please don't hesitate to discuss ideas. Any one who would like to host a meeting can also contact me.

Ivy Tech is getting ready for the April 17th fundraiser. The students are required to work an additional 5 hours. Troy McKee and class will be doing hors de' oeuvres and acting executive chef for the dinner.

Treasurer's Report: Charu Pant- The treasurer's ledger keeps track of all ACF South Bend Chefs and Cooks Association money as a whole, and allocates funds to individual accounts (scholarships). The ledger will be maintained by the treasurer and may be reviewed by any members upon request.

All reimbursement checks have been issued. The treasurer will purchase 3 tickets for board members to attend the Ivy Tech fundraiser on April 17th.

Recording Secretary's Report: Chef Karen Reynolds CCC- Notre Dame is involved in a lot of fundraisers for this chapter, which involves donating product and equipment. Unfortunately, due to the economic climate, Notre Dame will not be able to continue this practice at this time.

Corresponding Secretary's Report: Elise Kunkel- The South Bend Tribune now has a place for chapter news and events. Still working on getting into the Elkhart Truth. Ralph Pieniaskwecz and I are co-chairs for the chili cook-off and would like to set a final date. October 11th is looking best, and would like to confirm this date.

Minutes from Chapter Meeting

April 13, 2009

The Culinarian's code was read by Deb Halpin.

Thank you to Tony Plaza and his students. They prepared a wonderful meal.

Junior League still has room for any one who wants to participate and operate a booth.

A suggestion was made for the July social meeting to have a get together at a local park.

Congratulations to April Howell and daughter! They are home and doing well.

ACF website has information available for those who wish to participate in food competitions.

A reporter from the Tribune was interested in doing an article on quail eggs. It was suggested that this would be a great opportunity for students and apprentices to do some research and learn new material. They would also get some good public exposure for the apprenticeship program.

Ballots will be mailed out soon for National Board elections. A link will be put on our website for those looking for more information on candidates.
